

# Local Wellness Policy Meeting

Be A  
School Wellness Champion

**The Peach County School Nutrition Program** invites parents to our meetings about the school wellness policy. Having healthy choices at school helps keep our children healthy and ready to learn. The school wellness policy helps our school create an action plan for nutrition and physical activity at school. Parents can share their opinions and help make sure the policy is meeting the needs of our students.

Parents who are unable to attend meetings can email comments about the wellness policy or nutrition and physical activity to the school nutrition director at [mgrant@peachschools.org](mailto:mgrant@peachschools.org).

Meeting dates and times will be posted on the school webpage at [www.peachschools.org](http://www.peachschools.org).

We look forward to working with you!
