

“Bring Your Parent to School”

When you were a student what was your day like?

Come see how much things have changed since you graduated!

You are invited to spend the day (or any part of the day) with your student and see what their day is really like.

Come learn about Math, Science, History, Language Arts, Spanish, try a school lunch (\$4 exact change cash ONLY) (breakfast is \$2 exact change cash only) and so much more!!

Parents please come on the designated day for your child’s grade:

9th Grade Sept. 25th

10th – 12th Grade Sept. 27th

We ask that all parents that plan to attend please RSVP to make sure that we have enough seats in the class room. Children that are not students at PCHS will not be able to attend this event. Parents/family members may attend on their assigned day ONLY. Also, be sure to sign in at the front office when you arrive.
