FROM: Chandra Thomas, Guidance Counselor
Judy Messer, Family Coordinator
DATE: October 15, 2018
RE: PCHS College and Career Fair 2018

The Peach County High School College Fair Committee is planning the College and Career Fair for approximately 500 junior and senior students. We are hoping that you have chosen to be a part of this event. As you are aware, early exposure to colleges and universities as well as career opportunities will enable our children to be better prepared upon leaving high school and entering the world of post-secondary opportunities or the world of work.

The College and Career Fair will be held Friday, November 16, 2018, in the Gymnasium at Peach County High School in Fort Valley, GA. We would anticipate your arrival as early as 12:00 p.m. in order to have your area set up by 1:15 p.m. The first group of students will be arriving at 1:20.

Upon your arrival at Peach County High School, please proceed to the Auditorium/Gymnasium Building at the end of Campus Drive (near the football field). The Navy ROTC students will be available to direct you to the registration table and assist you with any materials. Please let us know prior to your arrival if you have any special needs for your presentation. A committee member will be available to assist you and discuss your role as a participant.

For **colleges and universities**, we ask that you orient the students toward your institution, to include an explanation of entry requirements, different majors, scholarship and work study opportunities, and most importantly, your personal insight into your institution and post secondary options. You are welcome to bring promotional materials/items; however, medicines or sharp, pointed objects are not allowed to be distributed to students.

For our **business partners**, we ask that you orient the students toward your occupation, to include an explanation of entry-level requirements, the advantages and disadvantages of particular jobs, and most importantly, your personal insight into your occupation. We also ask that you dress as you do daily for your job. You are welcome to bring promotional materials/items; however, medicines or sharp, pointed objects are not allowed to be distributed to students. Additionally, you are encouraged to bring information (perhaps a simple flyer) pertaining to the various job positions and related wages/salaries to better inform our students of possibilities. It would be especially helpful if you have information regarding possible positions for them.

Again, we thank you in advance for taking time aside from your schedule to commit to the future leaders of Georgia. Please note that a light lunch and refreshments will be provided. The event will end at 2:55 p.m.

DIRECTIONS TO PEACH COUNTY HIGH SCHOOL

From I-75 North- Traveling South
