

Mission Statement

The Mission of Peach County School District is to graduate college and career ready students.

Vision Statement

The Vision of Peach County School District is: Learning today-Leading tomorrow!

Belief Statements

1. We believe the main responsibility of the School District is to ensure a relevant and rigorous education for all students.
2. We believe that students learn best in a safe, nurturing, orderly, and creative/reflective environment.
3. We believe all students need the opportunity to reach their full potential through high expectations and an appropriate challenging career path.
4. We believe strategic planning, educational best practices, and data-driven decision-making are essential to improve student achievement.
5. We believe when all stakeholders form respectful relationships and strong, active partnerships with high expectations of success, children thrive and prepare for an ever-changing future.
6. We believe that schools need access to 21st Century resources to provide an education which prepares students for today's digital and informational society.
7. We believe all students can learn and that all students should graduate from high school prepared for post-secondary opportunities.
