Learning Today, Leading Tomorrow  
To Graduate College and Career Ready Students

July 30, 2018

Dear HES Parents and Students

On behalf of the entire faculty and staff, I hope that you have enjoyed a restful and relaxing summer! As I begin my second year as principal at Hunt Elementary School, I am truly grateful for the blessing of the community of staff, students, and families in my life. I am eager to see you again on the first day of school, Monday, July 30<sup>th</sup>. All signs point to another incredible and productive school year at Hunt Elementary School. An important change for this school year is our start time. The instructional block will start at 8:15 AM, therefore, students will be marked tardy at 8:16 AM. Our staff of highly qualified professional educators and support personnel are committed to providing our students with many opportunities both inside and outside of the classroom. We invite and encourage students and parents to work together to support Hunt Elementary Vision of Learning Today-Leading Tomorrow.

As principal of this amazing school, I feel honored and privileged to have the opportunity to work with such outstanding, students staff, parents, and community members. I feel so fortunate to be able to share my passion for public education with such a dedicated, supportive, and hardworking group. I am confident that we will have a productive and enriching year as we continue our mission of graduating college and career ready students. We will implement student-led conferences to allow you to see your child express their understanding of learning.

We extend a special yearlong invitation to our families to join us at school activities and events whenever possible. We want and value your involvement and support in your child's education. Please know that we highly value home/school communication here at Hunt Elementary School. It is vital and plays an integral role in each student's success. We encourage you to contact us if/when the need arises, and to stay in the know about your child's studies, assignments, assessments, and Lexile score.

We are delighted to have your child at Hunt Elementary School for the 2018-2019 school year. We look forward to working with you and doing our best to provide your child/children with the best learning experience possible!

Go Trojans!

Anita C. Mathis
