Our School Wellness Policy: What Parents Need To Know
Together, parents, school staff, and students can create a healthy school nutrition environment

Better health = better learners

Kids with healthier eating patterns and enough physical activity tend to:

- Have better grades
- Remember what was taught in class
- Behave better in class
- Miss less school time

- Physical activity

Importance of Nutrition Education

- Gives students the knowledge, skills, and confidence to make healthy eating choices.
- Nutrition education may include:
  - teaching about healthy meal patterns
  - reading Nutrition Facts labels
  - identifying sources of added sugars, saturated fats

Get involved! Ask your teacher how you can support nutrition education in the classroom.
Nutrition Promotion

★ Encourage students to make healthy nutrition choices
★ Here are the nutrition promotion activities taking place in our school. Such as:
  • Taste test
  • Menu building
  • Meet the cook today

How can you get involved?

Volunteer to help with a taste test and come have breakfast or lunch with your child.
Physical Activity & Physical Education

- We want kids to have the opportunity to be physically active at school.
- Recommended physical activity for children and adolescents = 60 minutes or more each day.
Our School Wellness Policy

• Our wellness policy supports healthy school breakfasts and lunches.
• All other food and drinks sold in school during the school day must follow the Smart Snacks standards.
• Questions? Contact: Matoshia Lewis at mgrant@peachschoools.org

**Smart Snacks** regulations standardize nutrition requirements to make sure all kids have access to healthy snacks that are consistent with the nutrition education they receive, and promote overall healthy eating habits.
Keeping Fundraisers Healthy

- At our school, we make our fundraising efforts healthy and fun, such as:
  - Walk-a-thons or fun runs
  - Jump-rope-a-thon, dance-off, or dance party
  - Selling fruits and vegetables

Help us come up with new ideas for a healthy fundraiser!
Food and Beverages Provided (Not Sold) to Students

Our wellness policy includes:

- Fundraiser information
- Healthy eating habits
- Celebration ideas

Get involved! Help educate other parents of our policy when they volunteer to bring food to classroom celebrations or provide classroom snacks.
Understanding Food and Beverage Marketing

- Where have you seen advertising in our school?
- We want images and messages in our school to support healthy choices.

Get involved! If you see items advertised you believe do not meet the Smart Snacks standards, please contact Matoshiba Lewis.
Help implement our policy and promote wellness through other school-based activities, including:

- If you have a green thumb, help us in our school garden.
- Connect with a local farmer and coordinate a field trip.
- Help plan a wellness event (School 5k, Fit Family Friday, etc.).
