What is a School-Parent Compact?

A school-parent compact is a written agreement between teachers and parents. It is a document that clarifies the school-parent relationship in order to reach high academic achievement for all students. We want a partnership between home and school. The school-parent compact will help our school be successful yearly if the compact is effectively implemented. In addition, our school-parent compact will reflect the needs of our school. We will evaluate it regularly and make changes yearly. The objective is to have a strong relationship and continue to strive for school-wide success.

Peach County District Goals

All students will reach high standards at a minimum attaining proficiency or better in reading/language arts and mathematics.

All students will graduate college and career ready.

All students will be taught by highly qualified teachers.

All students will be educated in learning environments that are safe, drug free, and conducive to learning.

School Goals & Focus Areas

The goal of Kay Road Elementary School is for all students to become proficient in English Language Arts and Reading.

The focus areas for Kay Road Elementary School are English Language Arts and Reading.

Communication About Student Learning

Two-way communication via: agenda, parent communicator, newsletter, progress report, report card, website, teacher webpages, email, parent/teacher conference, Remind, phone call, school marquee, Infinite Campus, Facebook, etc.

Teachers, Parents and Students—Together for Success

Teacher Compact - The 1st Grade teachers and staff of Kay Road Elementary School will provide quality curriculum and instruction in a supportive and effective learning environment. This will enable our students to meet the academic achievement standards established by the state of Georgia. We will:

- ◆ provide opportunities for repetition and review of sight words.
- ◆ encourage independent reading in an effort to meet AR goals.
- ◆ introduce and practice new vocabulary, reading strategies, and math skills to develop proficiency in preparation for the following year.
- ◆ provide important information through newsletters, daily planner messages, and school website.
- ◆ recognize and encourage individuality to promote learning in a “safe” environment.
- ◆ provide ample opportunities for conferences and updates on progression throughout the year.

Student Compact - As a KRES 1st Grade Student, I agree to work hard and be the best student I can be. I will:

- ◆ practice identifying my sight words.
- ◆ practice my reading with family members nightly.
- ◆ practice new math skills in the evenings.
- ◆ take home all important information and share it with my parents/guardians.
- ◆ come to school prepared and ready to learn.
- ◆ pay attention in class, so that I can share what I have learned when I go home.
- ◆ complete and return all homework assignments.
- ◆ ask for help when I need it.
- ◆ follow the WINGS rubric and treat others with respect and kindness.
- ◆ take pride in myself and understand the importance of education.

Parent Compact - As the parent/guardian of a 1st Grade Student at KRES, my role is crucial to the academic and social development of my child. I will:

- ◆ practice and review concepts (such as sight words, independent reading skills, and new math skills) taught in class nightly, in order to promote retention of important material.
- ◆ provide a time and place for quiet reading/studying to occur at home.
- ◆ check and review the information my child brings home to stay current on his/her progress and all events occurring at school.
- ◆ ensure my child receives adequate rest so he/she is prepared for rigorous instruction.
- ◆ promote the importance of education in preparation for the future.
