

"Learning Today-Leading Tomorrow!"

Peach County School District
Student Services Department
900 Campus Drive
Fort Valley, Georgia 31030

September 19, 2022

Dear Parents:

The purpose of this letter is to notify you of the provisions under the reauthorized Individuals with Disabilities Education Act of 2004 (IDEA). The local school system has an obligation to identify, locate and evaluate all children with disabilities ages 3 through 21 attending non-profit private or home schools in the local district.

If you have a child or children who you suspect of being disabled, you may initiate a referral for a comprehensive educational evaluation by contacting the Student Services Office at 478-825-5933.

The local district also has the responsibility to inform parents/guardians of the proportionate amount of federal funds to be used for special education and related services for all children identified as having a disability who are parentally placed in private school or home schooled within the district. The funds are to be spent for services. There is no individual student entitlement to these funds.

A consultation meeting is scheduled for Thursday, Oct. 6, 2022 at 9:00 A.M. The meeting will be held in the Student Services Conference Room; Peach County Schools Central Office; 900 Campus Drive, Fort Valley, GA 31030.

Please complete and return the attached consultation meeting form by Friday, September 30, 2022. Please feel free to contact me at 825-5933 ext. 1010 if additional information is needed.

Sincerely,

Dr. Gentry Trice
Director of Student Services
