**Seniors will receive a red cord for 3 donations during the year, if unable to give someone can donate for them.**

Did you know that since the pandemic began, more than 200,000 young Red Cross supporters have come out to give blood and more than 30,000 have volunteered to help the Red Cross with its lifesaving mission? We know this has been an especially challenging school year for students and we want to recognize and thank them for taking the extra mile in donating blood in this environment.

**All donors between the ages of 16-24 will get a \$10 e-gift card for a place they like to eat or shop when they come to donate blood April 1-30.\***

**Schedule your blood donation appointment today.**
