

DUAL ENROLLMENT AT GMC-WARNER ROBINS

START HERE... GO ANYWHERE!

ADMISSION REQUIREMENTS

- **Submit the application for admission – “Apply Now” online at www.gmc.edu**
 - **Choose “GMC Campus” and “Warner Robins” as your campus**
 - **Choose “Fall I” as your start term if you plan to begin in August; “Winter” if you plan to begin in January**
 - **When prompted for payment, use discount code “WRDE” to waive the application fee**
- **Request your high school transcript to be sent to GMC-WR**
- **Cumulative high school GPA must be 2.5 or higher (3.0 recommended)**
- **We review high school grades in English and math to determine college readiness in those areas. We also review PSAT, SAT, ACT, or AccuPlacer scores to determine college readiness if needed.**
- **Submit the Dual Enrollment Funding Application at www.gafutures.org once per school year.**

CLASS OFFERINGS

- **We have a full schedule of classes on campus at GMC-WR.**
 - **Textbooks are rented from our campus bookstore at no additional cost to DE students.**
- **GMC also offers virtual synchronous learning classes and online classes.**
 - **Textbooks and other course materials are 100% online at no additional cost to DE students.**
 - **Must have reliable internet access and a strong work ethic.**
 - **Make sure to apply to the Warner Robins Campus so our office receives your application!**

QUARTERS VS SEMESTERS

- **GMC is on the quarter system instead of the semester system**
 - **High school's Fall semester = GMC's Fall I and Fall quarters**
 - **High school's Spring semester = GMC's Winter and Spring quarters**
 - **Summer classes also available**
- **A typical class at GMC is 5 quarter hours**
 - **This is equivalent to a 3-hour class at a semester school, and will transfer as 3.33 hours**
- **Lab science classes and some math classes at GMC are 6 quarter hours**
 - **This is equivalent to a 4-hour class at a semester school**

ELIGIBILITY RULES

- **Dual Enrollment funding eligibility is governed by state regulations:**
 - **Must be in 11th or 12th grade, or 10th grade with high SAT/ACT scores before the first term of enrollment.**
 - **Up to 45 quarter hours of DE funding overall.**
 - **Up to 12 quarter hours of DE funding in a single quarter.**
 - **Up to four quarters of DE funding per school year, which starts in Summer.**
 - **Only courses listed on the Course Directory at www.gafutures.org are eligible for DE funding.**
 - **These are funding limits, not registration limits. Students may pay for courses or hours beyond these limits.**
- **Withdrawals - Two or more withdrawals in Summer 2020 or later will permanently end DE funding eligibility.**
- **Course repeats - A course attempted in Summer 2020 or later can be paid for by DE funding only once. If not successful, a repeat attempt would be an out of pocket expense.**

GAFUTURES FUNDING APPLICATION

- **Dual Enrollment Funding Application**
 - **Complete online once per school year at www.gafutures.org**
 - **A parent/guardian must complete the Parent Participation Agreement or the application is not valid and funding is not available**
 - **If you change high schools mid-year, you must complete a new funding application**
 - **The next school year will require a new application, usually available in Spring**

TIPS AND REMINDERS

- **All registration changes must be approved by the high school counselor.**
 - **Make sure you know high school and college deadlines – meet whichever deadline is first!**
 - **Be careful about taking classes not paid for by the DE program.**
 - **Remain active in all classes for to avoid funding eligibility issues.**
 - **If considering withdrawal, remain active in the class until both the high school and college approve withdrawal. Withdrawal can have serious impact on current funding and future funding eligibility.**
- **Take advantage of campus resources!**
 - **Free tutoring, open computer labs, study areas, etc.**
 - **DE students are college students! Participate in clubs and campus activities!**
