

Parents,

We look forward to the start of the new school year! We have implemented some revisions that we believe will help us provide better service transporting your child to and from school.

In an effort to provide more efficient service, elementary, middle and high school students will no longer ride the bus together.

- The first bus routes are for high school students only.
- The second bus routes are for middle school students only.
- The third bus routes are for elementary school students only.

Please review the following bus routes for your child's school. The routes include the **location** and **times** the bus will pick up your child each morning and transport them home at the end of the school day.

Your child's morning and afternoon routes will also be posted on your child's school website at the following link <http://www.peachschools.org/news/34306>.

If you have any questions regarding transportation, please contact us at 478-825-0601

Below are the school "start and end times" for this school year
