

# Family Engagement Coordinator's Message

Welcome Byron Elementary families! My name is Kimberly Sego. For those of you who do not know me, I am the Family Engagement Coordinator at Byron Elementary School. This is my fourth year associated with BES, as a parent, volunteer, and now as the Family Engagement Coordinator.

The Family Engagement Coordinator position was created to encourage & promote active involvement by families in their children's education. Parent/family involvement is an essential part of making BES a productive learning environment & a great place for your children.

The role of the Family Engagement Coordinator has several overriding goals:

- Create a welcoming school environment for families.
- Conduct outreach to engage families in their children's education.
- Strengthen family involvement in their children's education.

I regularly communicate and share news between the school and home through flyers, the Parent Resource Center, and the Soaring Eagle Newsletter. BES regularly hosts workshops to help you, as parents/guardians, support your child's education. If there are workshops that interest you, that you cannot attend, please let me know if you would like handouts. I will make a package for you. You will not get the full benefit of the workshop, but many of the handouts are extremely helpful. I look forward to meeting you at workshops, special events, and other school activities. I am available at school Tuesday – Friday, from 7:45 am to 4:15pm. Please feel free to call & leave a message anytime. You can reach me at 478-825-9650 ext1861. You can also email me at [kimberly.sego@peachschools.org](mailto:kimberly.sego@peachschools.org). My office is located on the second grade hall in room 34 and my door is always open. I am looking forward to a great year.

Thanks for all you do!

Kimberly Sego
